SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Sir:

Further to the Information Disclosure Statement filed August 31, 2005, in compliance with the duty of disclosure under 37 CFR 1.56 and in accordance with the practice under 37 CFR 1.97 and 1.98, the Examiner's attention is directed to the document listed on the enclosed Form PTO-1449. A copy of the listed document is also enclosed.

The listed document was intended to be cited in the Japanese Office Action submitted with the Supplemental Information Disclosure Statement filed August 31, 2005. However, the Japanese Patent Office apparently mistakenly listed Japanese Laid-Open

Patent Application No. 2000-058735, instead of 2001-058735, which is more closely directed to the technology of the present invention. The error was likely typographical. Accordingly, the Examiner might still find this document relevant for the reasons noted therein.

It is respectfully requested that the above information be considered by the Examiner and that a copy of the enclosed Form PTO-1449 be returned indicating that such information has been considered.

STATEMENT UNDER 37 CFR 1.97(e)

Each item of information in this information disclosure statement was first cited in any communication from a foreign Patent Office in a counterpart foreign application not more than three months prior to the filing date of this Statement.

Applicants' undersigned attorney may be reached in our Washington, D.C. office by telephone at (202) 530-1010. All correspondence should continue to be directed to our address given below.

Respectfully submitted,

A handwritten signature in dark ink, appearing to read "Mark A. Williamson", written over a horizontal line.

Mark A. Williamson
